

**2017 - 2018**

# **ODYSSEY OF THE MIND**

---

Odyssey of the Mind (OOTM) is an international educational program that provides creative problem-solving opportunities for students from kindergarten through college. OOTM operates on the premise that creativity can be taught and that teamwork is an important skill for children to learn early. It's amazing to see these young minds think "outside of the box" to come up with imaginative solutions to their selected problem.
